Justin Bieber Makes A Rude Appearance At The Maxim Party With His Dad After Being Detained For Five Hours!

That will shake up anyone's schedule!

After **Justin Bieber**'s plane was held up for smelling like **marijuana**, the 19-year-old singer was detained for five whole hours of questioning!

And when all of that dramz ended, Bieber was ready to kick it with the beautiful people at the *Maxim* party in the Big Apple on Friday night, which was catered by **Philippe by Philippe Chow**.

He didn't even make it there until 2 AM though!

And once the pop star was inside, it was nearly impossible for party-goers to prove it to their friends because Justin made sure his people shined lights at anyone aiming their phone at him.

However, one guy still got a pic, and it's a gem! Justin is flipping the bird right at the camera!

Of course, his **enabling** dad **Jeremy Bieber** was right there with his son, watching all of this happen.

Not ideal behavior from a guy who seems to be losing fans by the **day**!
