### Seen & Heard: A TFF Film Screening With a Rat-Tail & Anti-Hollywood Rant

What celebrity (and his braided rat-tail) had a few choice things to say about the industry in a post-screening chat for his Tribeca Film Festival movie, and how did Hillary Clinton show her support for an important women's cause? Jeffrey Slonim has the scoop on that and more in this week's celebrity news....

#### **Other Sightings Around Town**

Chris Noth, a.k.a. Mr. Big, wielding a big steak knife at T Bar Steakhouse last Wednesday.

That same night Noth's *Sex and the City* costar Sarah Jessica Parker hit Stage 48 for Ars Nova, a nonprofit theater gala honoring her comedic pal Bridget Everett. "Bridget you have so many famous friends, it's f---ed up. It's, like pathological," the emcee blurted out.

Yankee Alex Rodriguez at The Lion on Saturday night slurping oysters with an attractive female.

Common at The Marshal on Sunday dining on a healthy beet salad and wood-oven roasted trout.

On Monday, Will.i.am feasting with pals in Philippe's wine cellar.
