## Rihanna Treats Her Grandfather to Philippe Chow On His 86th Birthday

By *Mediaoutrage* on November 5, 2014

Rihanna treated her grandfather to expensive eatery Philippe Chow on his 86th birthday the other night in [Manhattan](#).

One thing that has always been very evident with Rihanna, is that she really loves her family and knows how to do right by them with her new found fortune. We all remember how she spoiled her grand grand dolly before she passed. We love to see folks take care of their family. Dope.
