## Double Dating Sisters! Khloé Kardashian And Boyfriend French Montana Dine With Kourtney and Baby Daddy Scott Disick

Kim Kardashian and Kanye West may have failed to invite her sister Khloe's new man, French Montana, to their extravagant Italian wedding, but it looks like eldest sis Kourtney and boyfriend Scott Disick are always down to hang!

The foursome hit Philippe  
Chow on May 31 in New York,  
where Kourtney, 35, and  
Khloe, 29, will soon begin  
filming their E! spinoff reality  
show, Kourtney & Khloe Take  
the Hamptons.

Earlier in the day, Kourtney and Scott, 31, took kids Mason, 4, and Penelope, 22 months for a walk through New York's trendy Soho neighborhood.

Disick took a more casual approach with a knit sweater.

Kourtney looked stunning in red lipstick and a white leather jacket.

What happened to ladies first? Montana, 29, entered their car before new girlfriend Khloe.
