## ***Sushi Roxx***

Philippe, the favorite Chinese restaurant of Beyoncé, Matt Damon, and Robert De Niro has opened a new Buddha garden and sushi bar on its back patio in East Hampton. The sexy outdoor space boasts private pavilions for romantic rendezvous before hitting the dance floor steps away in The Club at Philippe. This hot spot is attracting large tables of models and the men who love them. *philippechon.com* . . . Betsey Johnson will design the uniforms for Sushi Roxx, a new Japanese restaurant and lounge on East 39th in The Tuscany Hotel, opening in July. During dinner the servers flash mob to numbers choreographed by former Pussycat Dolls star Asia Nitollano. *sushiroxxnyc.com* . . . Vintner David Noto's Altaneve Prosecco has been named the official wine of Guild Hall's Fashion and Chef series, which will feature talks with Dr. Oz, Iris Apfel, Dominique Ansel, and Florence Fabricant. *guildhall.org*
