PIPPA MIDDLETON Her Secret Engagement

HE DOES LOOK GREAT IN A WHITE gown. Pippa Middleton, who nearly stole sister Kate's thunder at her 2011 royal wedding, will walk down the aisle in 2014, sources tell *Us*. Banker Nico Jackson, 36, proposed to the event planner, 30, during their early December trip to India's Oberoi Amarvilas, a five-star resort with views of the Taj Mahal. "It was *exactly* how he planned it," says one insider. "Very romantic and grand!" The duo of 15 months have been celebrating privately and will officially announce their engagement around the holidays. Jackson will get a taste of Christmases future when he joins the Middletons at their Bucklebury, England, estate for Boxing Day December 26, says the source, before he and his bride-to-be head to the Alps for vacation in the new year.

Charlize Flirts With Sean!

Seth MacFarlane: actor, producer . . . matchmaker? At the *Family Guy* creator's blowout holiday house party in Beverly Hills December 13, Charlize Theron, 38, and Sean Penn, 53, got jolly at a secluded table. While a Theron source insists the pair are only "old friends," one partygoer saw sparks. "It seemed flirty," the source says of the duo, who busted moves to Snoop Dogg's 2004 banger "Drop It Like It's Hot." Meanwhile, as guests including Nick and Vanessa Lachey ate s'mores amid real snowmen, MacFarlane, 40, spread cheer with a mystery blonde. Shares a witness: "They made out all over the party!"

Gisele's Model Home

Gisele Bündchen wears the construction hat in her marriage. A source says the model, 33, has "taken the lead on designing" the five-bedroom Brookline, Massachusetts, estate she and husband Tom Brady, 36, are building. "She knows how every room will look," says the insider, adding that the mom of Benjamin, 4, and Vivian, 12 months, speaks to the architect via FaceTime. The spread will have a spa and a yoga studio. Explains the source: "Gisele wants a serene place for her and Vivian to practice yoga."
